

## **Wymondham in Bloom 2022 Competition Judging Guidance**

**Date:** Competitors will be judged in early July 2022

**Criteria:** Judges will give points in the four following categories

1. Plant Care – how well have the plants been cared for? Are they thriving? Have they been deadheaded / pruned sufficiently?
2. Creativity / Originality – Does the display show an element of artistic flair? Interesting plant choices? Is there a theme? Colour palette? Varied textures?
3. Overall Impact – To what extent has the competitor made an impact on the look of their frontage with their floral display?
4. Longevity / Sustainability – Will this display survive and thrive for many weeks/months?

### **Awards to be given:**

Outstanding – Showing a singular remarkable and greatly varied visual display with artistic flair, regular maintenance and care – but also a sustainable and novel presentation with colour, texture and overall impact in evidence in all areas.

Excellent – A notable display exhibiting visual impact and creativity to great effect and showing care and skill of a high order.

Highly Commended – A floral display with above average impact and care, adding highly to the appearance of the premises and the town.

Commended – Showing a dedicated and considerable effort to support the town with care and attention to the display.
